

## Warranty

National warrants that each piece of furniture will be free from defects in workmanship given normal use and care for as long as you, the original customer, owns and uses the product.

Normal use is defined as the equivalent of a single shift, 40 hour work week. In the event that a product is used more than normal use, the applicable warranty period will be reduced to 12 years and items that fall under different warranty limitations, as listed below, will be reduced to one-third (ex: Wood chair frames will be 4 years instead of 12 years). National, at its option, will repair or replace with comparable product any product, part or component shipped after September 1, 2000, if the claim is eligible under the conditions of this warranty. This warranty is valid only if the product is given proper care and maintenance.

### Limitations

Twelve Years	Wood Chair Frames
Ten Years	Seating Controls, Wood Veneers and Laminates
Five Years	Mechanical and High Wear Parts Such As: Electrical Components, Polymer Based Components, Pneumatic Cylinders, Swivel Arm Pads, Casters, Chair Glides, Textiles, Foam, Covering Materials and Decorative Trim

### Exclusions

This warranty does not apply to:

- Damage caused by a carrier
- Normal wear and tear which is to be expected during the period of ownership
- Appearance, durability, quality, behavior, colorfastness or any other attribute of COM (Customer's Own Materials) or any other non-standard National material (including Arc-Com, CF Stinson, Designtex, Maharam, Momentum and Ultrafabrics) specified by the customer after application to a National product
- Color, grain or texture of wood, laminate and other covering materials
- Non-compliance with installation and maintenance instructions
- Electrical grommets where the box has been opened
- Damages or failures resulting from modifications, alterations, misuse, abuse or negligence or improper care and maintenance of our products

NOTE: A protective glass top is not recommended on tops greater than 72". A single piece of glass should cover a multi-piece top. A glass addition has the potential to accentuate deflection. If glass is applied, this will require a special quote to investigate the support needed.

### Gotcha™ 24 Hour Use Seating

Warranty on Gotcha 24 Hour Use models is 5 years from date of purchase for seating controls and pneumatic cylinders and 2 years from date of purchase for casters, textiles and foam.

### Toss Bean Bags

Warranty on Toss Bean Bag models is 5 years for the textile covering material and 1 year from date of purchase for the liner with EPS fill.

### Finish Warranty

Minor variations in finish color may occur due to the unique texture and grain of wood.
